Peter Brasseler Holdings, LLC
Intrauma S.p.A.
GEISTER Medizintechnik GmbH
Ruijin Medical Instrument & Device Co., Ltd.

North America governs the market in 2017

North America held the largest share in the global powered surgical instrument market, garnering about half of the total revenue in 2017, owing to highly sophisticated healthcare infrastructure and high adoption rate of technologically advanced surgical tools in the region. However, Asia-Pacific region is expected to portray the fastest CAGR of 5.4% during the forecast period, owing to high prevalence of chronic diseases and rise in demand of minimally invasive

surgery. The other regions analyzed in the report include Europe and Latin America, Middle East and Africa (LAMEA).

Key Benefits For Stakeholders:

- The study provides an in-depth analysis of the Powered Surgical Instrument Market along with the current trends and future estimations to elucidate the imminent investment pockets.
- •It offers Powered Surgical Instrument Market analysis from 2020 to 2025, which is expected to enable the stakeholders to capitalize on the prevailing opportunities in the market.
- •A comprehensive analysis of four regions is provided to determine the prevailing opportunities.
- The profiles and growth strategies of the key players are thoroughly analyzed to understand the competitive outlook of the global Powered Surgical Instrument Market growth.

Plastic surgery segment to manifest rapid growth by 2025

The plastic surgery segment is estimated to register the fastest CAGR of 6.2% from 2017 to 2023, owing to the growing demand for cosmetic surgeries, increasing incidence of cancer, and growing age-related surgeries across the globe. However, the orthopedic surgery segment accounted the largest share, contributing about 21% share of the market, owing to increased demand for minimally invasive surgery in orthopedics and rise in geriatric population. The other segments analyzed in the report include neurosurgery, ENT surgery, cardiovascular surgery, cardiothoracic surgery, and others.
