a leading cybersecurity firm and [technology solution provider](#) for businesses, will expand its geographic footprint with the opening of a location in Lantana, Florida.

The Medfield, MA based firm, founded by CPAs and specializing in providing cybersecurity, compliance and technology services to the CPA field and general businesses, has opened a location at 124 Mayfield Road, Lantana, FL.

Tech Advisors CEO Konrad Martin will oversee the opening, and staffing of the new location. Martin, a former CPA and

co-founder of the company, said that the Florida expansion is a key part of the company's growth strategy.

“Increasingly, we have seen the opportunity to expand our geographic market as we have added to the services we offer,” Martin said. “We have evolved from an IT firm to a cybersecurity company, providing high-level services and training, and this shift in our focus has brought inquiries from different geographic regions as well as different industries.” He added, “We see Florida as a strong market for expansion and are delighted to be part of the economy here.”

This past year has been one of growth and recognition for Tech Advisors. Earlier this year the firm was named to the Top 250 MSSPs list for 2021 (<http://www.msspalert.com/top> 250), published by After Nines Inc., identifying and honoring the top MSSPs, [managed detection and response](#) (MDR) and Security Operations Center as a Service (SOCaaS) providers worldwide. The firm was also named as one of the world's premier managed service providers in the prestigious 2021 Channel Futures MSP 501 rankings.

Tech Advisors also continues to operate from its Medfield, MA corporate headquarters.
