

Rizing Awarded Texas DIR Contract for Geospatial Software Products and Related Services

Rizing, LLC's subsidiary, Rizing Geospatial, LLC, will provide geospatial products and services to public entities inside and outside the State of Texas

STAMFORD, CONNECTICUT, UNITED STATES, December 10, 2021

/EINPresswire.com/ -- [Rizing, LLC](#) is

pleased to announce that [Rizing Geospatial](#), LLC, a wholly-owned

subsidiary of Rizing, LLC (Rizing), has

been added to the Texas Department

of Information Resources ([Texas DIR](#)) Cooperative Contracts Program for geospatial products and related services on behalf of the State of Texas. This award makes these solutions available to state and local government, public education, other public entities in Texas, as well as public entities outside the state.

“

The program provides us a flexible contract mechanism to offer our unique blend of geospatial products and services as well as LiDAR-related offerings to a broader group of clients.”

*Connie Gurchiek, President,
Geospatial, Rizing LLC*

“We are excited to be a part of the Texas DIR Cooperative Contracts Program and look forward to working with state and local agencies throughout Texas and the rest of the country,” says Connie Gurchiek, President, Geospatial, Rizing LLC. “The program provides us a flexible contract mechanism to offer our unique blend of geospatial products and services as well as LiDAR-related offerings to a broader group of clients.”
