

Natural Inclinations: One Man's Adventures in the Natural World

Roland "Ro" Wauer is retired from the National Park Service after a 32-year career.

GUADALAJARA, JA, MEXICO, December 7, 2021 /EINPresswire.com/ -- Roland H. Wauer's *Natural Inclinations: One Man's Adventures in the Natural World* is a historical novel with themes on nature and adventure. It is based on the author's

acquaintance with real people and places over the last many years.

Wauer's work will be one of the books that will be featured in the prestigious Guadalajara International Book Fair 2021 happening at Jalisco, Mexico.

The novel revolves around Greg Steward and his adventures from his youth in St. Croix Virgin Islands to New York City and his expedition to Panama for the American Museum of Natural History. The expedition deepens the protagonist's love for nature and eventually leads to more scientific expeditions to faraway places such as the Galapagos, Easter Island, the Societies, and the Marquesas Islands.
