

Jeptha Creed Debuts New Winter Bar Menu

New Cocktails And Samplers To Highlight Their Bourbon

SHELBYVILLE, KY, UNITED STATES, December 9, 2021 /EINPresswire.com/ -- Jeptha Creed Distillery has announced their new winter bar cocktail menu crafted specifically to highlight their bourbon. With their new [Bottled-In-Bond Rye Bourbon](#) release in November, Jeptha Creed expanded their menu to include an Aged Spirits Sampler and five brand new bourbon cocktails.

Some of these new bourbon cocktails include The Revolver, Apple Grove, and The Clever Sage. The Revolver is a coffee forward cocktail with hints of vanilla and orange. The Apple Grove features apple cider and lemon for a sweet yet tart twist. Lastly, The Clever Sage highlights cinnamon and egg white for a sweet and light sip.

The bar menu features a new Samplers & Pours section including the new Aged Spirits Sampler and a Master Distiller Select pour of their cask strength rye bourbon. Guests can look forward to the money spent on the Master Distiller Select pour going toward their bottle purchase. Visitors who may be less bourbon inclined will now also find vodka and moonshine samplers to taste non-bourbon spirits.

"We are so excited to have four different bourbons available at the same," said Jeptha Creed General Manager Bradley Smith, "so we really wanted to be able to highlight them with our visitors."

Jeptha Creed Distillery's bar is open Thursday through Sunday. Visit jephthacreed.com/our-bar to plan a visit or view the full menu.
