SOFTWARE EMPOWERING THE ENTERPRISE

PENTAGON 2000SQL

According to Kirk Baugher, Executive Vice President at Pentagon 2000 Software, Inc., “the team at SGA are seasoned industry veterans and have been able to quickly deploy the facilities, staffing and systems to deliver market leading MRO and technical services. In addition to specialized Military C-130 MRO services, the company offers Aircraft Management, Aviation Consulting, Repair Station Manual authoring along with a range of other services”.

“

PENTAGON 2000SQL is the benchmark. For over 30 years we've set the industry standard in fully integrated ERP systems.”

*Pentagon 2000*

subsequent ramp up of our operations. In addition to the software tools, the service and support provided by the Pentagon team has allowed us to stay focused on our customers and our MRO operations”.

About Strategic Global Aviation: ([www.strategicglobalaviation.com](http://www.strategicglobalaviation.com))

Strategic Global Aviation (SGA) is a world class military aerospace Maintenance, Repair and Overhaul (MRO) organization located at the former Griffiss Air Force Base (B-52 Strategic Air Command Base) in Rome, NY. The company mission and purpose is to support the warfighter, our country, and provide our military aircrews worldwide with combat-ready and mission-ready

aircraft.
