*Author Jill Cook shows young readers what happens during a hospital visit in her new book **Buddy Brown Goes To The Hospital**.*

SASKATOON, SASKATCHEWAN, CANADA, December 11, 2021 /EINPresswire.com/ -- Through the eyes of an adorable teddy bear named Buddy Brown, Cook cleverly spins a scary trip to the hospital into an understanding that a hospital is a place filled with compassion. Buddy is transported to the hospital by ambulance after an unfortunate skiing mishap. Throughout his hospital journey, young readers will witness the kind and helpful treatment that Buddy receives from doctors, nurses and x-ray technicians. Cook's animated rhyming story aims to remove some of a child's fears of the unfamiliarity surrounding a hospital visit.
