Joshua Palmier is a talented web developer

"My technology company, Spiritual Development, helps holistic and spiritual healers and teachers to establish and make ongoing successes of their businesses," explains Joshua Palmier, speaking from his home in Fremont County, Colorado.

Palmier is a long-time freelance web and email developer. Spotting a gap in the market, the talented IT professional set about meeting the growing demand for support in regards to websites and email services for holistic and spiritual healers and teachers. Operations quickly grew to further accommodate clients in various associated fields, such as yoga and life coaching.

"Spiritual Development was established to support and promote highly skilled providers of spiritual practices like reiki, a form of alternative medicine called energy healing which originated in Japan," Palmier reveals, "as well as providers of yoga classes, life coaching, meditation instruction, and more."

The business owner and IT professional is, he says, also a personal advocate for various holistic and spiritual practices. "Accordingly, I'm ideally suited to provide what's ultimately an extremely

focused service in a highly specialized field," adds the seasoned web developer and Spiritual Development founder.

Business for Joshua Palmier and Spiritual Development has continued to go from strength to strength. Best known for their work on platforms such as Shopify and WordPress, the operation has also established itself as a go-to for crucial email development services. "This includes everything from technical assistance," Palmier points out, "to support with email list development and vital email marketing solutions."
