scenes look at the secret deal Apple CEO Tim Cook cut with Communist China to transfer its technology and submit to Chinese censorship in exchange for access to Chinese markets.

According to Navarro: "Cook was always begging for tariff relief on the promise he would eventually bring Apple factories back to America. It was all a ruse and a waiting game as Cook worked Jared Kushner and worked behind

the scenes to defeat Trump for a second term."

This third episode of the In Trump Time podcast also explores the logic of a possible boycott of the 2022 Chinese Olympics following the decision of the Biden administration to not send diplomats to the games.

Navarro's In Trump Time Podcast debuted at #15 on Chartable for podcasts dealing with politics.
