

301 Digital Media Welcomes Chicago-based Law Firms Dolan Law, La Justicia Legal as New Clients

301 Digital Media Announces Digital Marketing Partnership in Collaboration with Grip to Support English & Spanish language legal practices helmed by Dolan Law

CHICAGO, IL, US, December 15, 2021

/EINPresswire.com/ -- Full-service media and marketing services firm, 301 Digital Media, today welcomes the Chicago, IL-based law firms of [Dolan Law](#) and [La Justicia Legal](#) as the newest clients for the company's digital and social media marketing and SEO

services. Dolan Law and La Justicia each serve unique and distinct consumer segments in the Chicago area, offering legal services to English and Spanish-speaking Illinois residents.

“

Dolan Law and La Justicia are here to provide excellent legal representation and advocate for the personal injury rights of those impacted by traumatic injuries and tragedy.”

Marty Dolan, Principal Attorney & Owner

Led by Marty Dolan, Karen Munoz and Luis Martinez and their team of experienced attorneys and legal professionals, Dolan Law and La Justicia Legal represent plaintiffs and victims in cases involving catastrophic personal injury, wrongful death, civil justice for victims of crime, and employee rights.

“Dolan Law and La Justicia are here to provide excellent legal representation and advocate for the personal injury rights of those impacted by traumatic injuries and tragedy. With La Justicia, we are able to expand our ability to fight for what is right and just when a member of the hispanic

community is hurt,” said Marty Dolan.

The new partnership arose as a result of the recently-announced [strategic partnership](#) between

Tennessee-based 301 Digital Media and Illinois and Austria-based Grip. "One of the strengths of being a smaller agency is that we're able to be flexible regarding the partners with whom we choose to work. 301 Digital Media has been a natural fit for us since the start of the pandemic when, more than ever, our clients needed the extra edge to reach their audiences digitally," said Lauren Amerine, director of new business for Grip.

Supporting the partnership for 301 Digital Media is Joel Huber, the company's senior manager of integrated media operations: "I'm personally excited to be able to leverage our expertise in audience development and digital marketing knowledge to help the Dolan and La Justicia teams reach the underserved communities they service." Huber continued: "We're thrilled to support a mission-driven organization with values that align with our own."
