“

World Biz Magazine's Top 100 Innovation CEO Awards celebrates business leaders across the globe that are making major strides in their industries.”

*World Biz Magazine*

Fabian Battaglia is 35-year tech veteran that is quickly building Mobix Labs into a leading global wireless and wired connectivity solutions provider. He co-founded the company in 2020 by offering True Xero™ latency-connectivity solutions for 5G wireless and high bandwidth cable networks.

Prior to Mobix Labs, Battaglia served as senior vice president of sales at Microsemi Corp., a provider of analog and mixed-signal semiconductor solutions that was

acquired by Microchip Technology in 2018, where he managed over \$2B of annual sales from Fortune 500 and well recognized international companies serving communications, medical, aerospace and defense, industrial and data storage markets

Battaglia has held multiple management roles in field application engineering for leading semiconductor companies such as Texas Instruments and Maxim Integrated Products. He also

worked as a design engineer focused on advanced systems development for Ford, General Motors and Chrysler.

Fabian Battaglia commented, "It's an honor to be named among World Biz Magazine's top 100 global innovative business leaders. We are an innovation company at our core and are thankful to our employees, investors, board members and partners who enable us to develop and deliver our high performance, low-cost wireless and wired connectivity solutions across the globe."
