

# New Jersey Mesothelioma Victims Center Appeals to the Family of a Navy Veteran Who Has Just Been Diagnosed with Mesothelioma to Call Attorney Erik Karst of Karst von Oiste About Compensation That Might Be Millions

PATERSON , NEW JERSEY , USA, January 28, 2022 /EINPresswire.com/ -- The New Jersey Mesothelioma Victims Center says, "If your husband or dad is a Navy Veteran who has just been diagnosed with mesothelioma anywhere in New Jersey or their immediate family please make financial compensation a priority and call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for specifics about their compensation and a no obligation compensation claim analysis. Aside from being one of the nation's most experienced mesothelioma attorneys Erik Karst also specializes in assisting Navy Veterans with this rare cancer.

"Because mesothelioma can be so hard on the person with this rare cancer-we are appealing to their family to involve themselves in their loved one's compensation process-to make certain they get properly compensated. To get the best possible compensation results it is vital the person with mesothelioma recall as much as possible about how, where and when they were exposed to asbestos in the navy, or at work. It is this incredibly important information that will become the foundation for a mesothelioma compensation claim as attorney Erik Karst of Karst von Oiste is always happy to discuss at 80-714-0303."
