The Mystic Force Foundation was founded in 2008 by Dr. Steven & Silvia Vanni after their then 4-year-old son, Salvatore, was diagnosed with Stage IV Neuroblastoma Cancer. Salvatore lost his battle with cancer in 2011 but his legacy continues to change the lives of all children battling this devastating disease. This year is the Foundation's 13-year Anniversary of raising awareness and desperately needed funds for Childhood Cancer Research, as well as advocacy in Washington, DC, granting 'Wishes', delivering toys, holding in-patient hospital parties, and bringing Hope, Joy,
