HOUSTON, TEXAS, UNITED STATES, December 10, 2021 / EINPresswire.com/ -- [Milkio](https://www.milkiofoods.com/) Foods, New Zealand, has experienced consistent growth even during the difficult pandemic period.

New Zealand Origin ghee

The New Zealand based grass-fed ghee manufacturing and exporter company has expanded its marketing network in multiple countries like The United States of America, Saudi Arabia, Singapore, Thailand, Guam, UAE, Taiwan, Australia, Egypt, China, South Korea, Chile, Hong Kong and Kuwait, and the expansion is still on.

“

With Milkio, you know what you are having in your diet because our ghee is all-natural and contains no nasties.”

Akhil Ojha

Besides acquiring Eurofin's approval and Kosher & SQF certification, Milkio Foods has introduced glass packaging exclusively for the USA market. Milkio Foods has introduced its entire grass-fed ghee range of products in Walmart, eBay, Amazon, etc. That has made the products easy-to-buy commodities for the Milkio audience.

The official website has been entirely revamped. The new E-commerce page is an added attraction for the Milkio consumers as the online availability of the products has been meticulously organized and maintained.

The systematic supply chain of Milkio Foods has made the product a reliable and transparent brand with a 100% traceability advantage.

According to Milkio Spokesman Mr. Akhil Ojha, “With Milkio, you know what you are having in your diet because our ghee is all-natural and contains no nasties.”

The all-new Ecommerce page on the Milkio Official site is an added convenience for Milkio Consumers in Kiwi Country. They can place the order directly to the mother company and purchase Milkio grass-fed ghee products. Currently, the product portfolio contains eight categories of grass-fed ghee:

- Grass-fed ghee
- 100% organic grass-fed ghee.
- Cultured [grass fed ghee](#)
- Cultured organic grass fed ghee.
- A2 organic grass fed ghee
