

Military Warriors Support Foundation Provides Critical Support to Wounded Veterans & Their Families

SAN ANTONIO, TX, UNITED STATES, December 16, 2021 /EINPresswire.com/ -- Founded by LTG Leroy Sisco (Ret.) in 2007, Military Warriors Support Foundation's mission is to provide programs that help our nation's combat wounded heroes and their families with a smooth and successful transition to civilian life.

MWSF is a 501(c)(3) non-profit charity with programs that focus on housing and homeownership, recreational activities, transportation assistance and leadership development, including awarding mortgage-free homes and payment-free vehicles to combat-wounded heroes and unmarried Gold Star spouses. In addition to the home or vehicle, families receive family and financial mentoring to give the best opportunity for long-term success.

Thanks to generous donations and corporate sponsors like Wells Fargo, Bank of America and Keurig Dr Pepper, MWSF is committed to giving combat wounded veterans and their families the best possible support in appreciation for their military service and, in many cases, willingness to give their lives for their country.

Through Homes4WoundedHeroes & Homes4GoldStars, MWSF awards mortgage-free homes to combat-wounded heroes and unmarried Gold Star spouses of veterans who were killed in action or during combat training. Thus far, MWSF has awarded nearly 900 mortgage-free homes throughout the United States. Through their Transportation4Heroes program, MWSF awards payment-free vehicles to combat wounded heroes and Gold Star spouses. Thus far, MWSF has awarded over 140 vehicles.

In addition to the home or vehicle, recipients receive 1-3 years of financial and family mentoring. Through this structured program, families learn about monthly budgeting, spending control and creation of savings. While in their programs, MWSF families have collectively paid off over \$24.2 million in personal debt.

Skills4Life provides recreational outings and peer-to-peer mentorship through hunting, fishing, and golfing adventures. The Leadership4Life program provides a one-year program to help veterans transition the skills they acquired in the military into leadership skills for the civilian workforce. MWSF has been able to accomplish a lot in just over 10 years, but there is still so much more to do! We need your help! MWSF is committed to being good stewards of your donation. Since inception, we have averaged only a 9% Admin Percentage and have proudly averaged a less than 5% Admin Percentage over the last 5 years.
