

# Convergia Expands North American Distribution Agreement with TD SYNEX in US

MIAMI, FLORIDA, UNITED STATES OF AMERICA, December 13, 2021

/EINPresswire.com/ -- Convergia, the Pan-American value-added [Connectivity](#) Distributor of wireless, wireline, cloud, [voice](#) and [IoT solutions](#), announces the expansion of its North American distribution agreement with TD SYNEX Corporation.

Connectivity by Convergia (CxC)

solutions are now available to the TD

SYNEX reseller community in the US through the TD SYNEX Stellr Mobility Program, a one-of-a-kind digital transformation ecosystem providing end-to-end solutions involving everything from hardware to connectivity. Stellr seamlessly implements emerging technologies to solve real business problems by eliminating barriers between hardware and connectivity to develop

comprehensive solutions that address the convergence of cloud, mobility and IoT.

“

Our growing association with TD SYNEX offers great benefits to channel partners, resellers and MSPs across the Pan-American region.”

*Mutlek Amrov*

“Mobility, both 4G and 5G, along with IoT and Cloud are the fastest-growing sectors of the Information Technology world,” said TJ Trojan, senior vice president, North America UCC and Connectivity Product Management and U.S. Collaboration Sales. “Convergia provides world-class connectivity solutions and services that will expand the offerings of TD SYNEX in North American markets and

greatly assist TD SYNEX partners in their ability to meet their clients’ needs.”

Convergia recognizes the importance of offering full-service managed connectivity solutions, instead of a bag of parts. Convergia has the unique capability of offering high-speed wireline fiber backbone throughout Pan-America with last mile, local loop connectivity to any enterprise along with an aggregation of wireless cellular providers for high-speed primary or backup network to low speed IoT Connectivity. With Connectivity by Convergia (CxC), you can easily add Convergia’s growing full-service managed solutions list of SD-WAN, voice, data, and IoT

Solutions.

Mutlek Amrov, Convergia Channel Manager states: "Our growing association with TD SYNEX offers great benefits to channel partners, resellers and MSPs across the Pan-American region. All our Connectivity Wireline, Wireless Voice and IoT solutions are accessible through TD SYNEX, with extended access to our sales support, engineers, and solution architects. Convergia and TD SYNEX share the same values and principles across the Channel Partner Market, and we are proud of this valuable partnership."
