*The Plan by Dan Hollings was released on 12/2/2021, and the additional benefits provided by Anish Chatterjea (SaazLife LLC) help to get the most out of it.*

VANCOUVER, CANADA, December 11, 2021 /EINPresswire.com/ -- [The Plan by Dan Hollings](#) is already creating waves in the industry. To enable people to get the most out of The Plan by Dan Hollings, Anish Chatterjea of SaazLife LLC has been providing several amazing benefits that every user of The Plan absolutely loves.

Who is Anish Chatterjea?

Anish Chatterjea is the CEO for SaazLife LLC. Due to his engineering background, after much research, he has been able to create a set of

exceptional benefits that experts in the industry believe will help people get the most out of the proven system of The Plan by Dan Hollings. Anish Chatterjea, the CEO of SaazLife LLC and a founding member of "The Plan's" Beta 1 students, has built a successful firm employing the methods that he is sharing with his audience. His perspective is based on risk assessment of the investment plan and ensuring the process is structured.

“

The benefits that I provide helps people immediately benefit from The Plan" by Dan Hollings, placing the odds in their favor"

SaazLife LLC)*

Talking to the media, one of the users of Anish's benefits was quoted as saying "One of the biggest applications of what Anish is providing to us is that it eliminates the risk of picking the wrong crypto coin pairs with his step by step processes, which significantly cuts down the work of the program backers giving me a complete peace of mind."

Anish's benefits have helped people to add automation to

the process of growing their crypto assets using Dan's identical rule-based tactics and settings.

The list of benefits offered by Anish:

- 5 Private group Strategy and Q&A 1 hour Zoom calls
- 1 year access to Anish's personal Bots Research with a live demo.
- Anish Chatterjea's top coin pairs along with a setting that can be followed
- Discount on the tracking software for tax purposes
- Best practices on which exchanges work in the user's country of residence
- Step-by-step process of all lessons and templates
- Anish's "The Plan" course notes to help users streamline the approach of implementing the strategies
- There is also one-on-one support and guidance as you will have direct access to Anish and his processes.

SaazLife has put the principles outlined in "The Plan" into practice in order to invest in a profitable business enterprise. "As an engineer and an entrepreneur, my initial reaction was that 'The Plan' was a brilliant approach," Anish says, "but now I am certain that this is a truly effective process that just works."

Dan Hollings, the creator of "The Plan," is undoubtedly one of the first mobile web pioneers. What Anish's benefits allow is to set up a system that automates the already proven process so that the software keeps making intelligent decisions for the users of The Plan. It gives complete control over all of the user's crypto assets, as well as automation. It also provides training for users on how to set up automation and implement tried and true tactics that have worked for thousands of others.
