"Random Lover is the second song I've released from my first EP about the emotional aftermath of an abusive relationship," Damon says. "More accurately, how I tried shutting down my emotions and kind of said 'f*ck it!' to love, commitment, and romance. For a while, I'd date just to feel some physical pleasure, but totally rejected any kind of genuine connection because I was deeply hurt and hadn't dealt with my pain. Just come over, make me feel good, and get the hell out of my house. It was a bad place, but it's how I coped at the time. I'm sure we've all been through a phase like that...until we grow."

Random Lover is now available on all streaming platforms, including Spotify, Apple Music, and

iTunes.
