Beach Enclave Turks and Caicos

Since the widespread availability of vaccines worldwide and clients confidence returning, the company has experienced an unprecedented 200% growth over pre covid 2019 levels. The expansion plans are both customer-driven and part of a strategic growth plan to become the world's largest luxury vacation rental company.

“

We are delighted to launch these exciting new markets as well as expand our existing top-rated destinations. We spend a lot of time handpicking each of the properties.”

The company insists on vetting and inspecting every single of their 3000 properties in 37 countries. They recently conducted inspection trips to Turks and Caicos, Barbados, The Dominican Republic and Italy.

Their highly-skilled villa experts have inspected their current inventory and found some wonderful new luxury villas and vacation rentals. Shortly they shall be undertaking inspections in Mexico, Spain, Jamaica, The Bahamas and Costa Rica.

In addition to these extremely popular markets, Exceptional Villas have launched villa programs in The Seychelles, Fiji, Sri Lanka, South Africa, Bali, as well as some of the world's most exclusive private islands such as Voavoh Island in the Maldives and Kokomo private island in Fiji. properties to their portfolio, bringing the total number to over 3,000 inspected vacation properties.

CEO and Founder of Exceptional Villas said, "We are delighted to launch these exciting new markets as well as expand our existing top-rated destinations. We spend a lot of time handpicking each of the properties." To be featured on the Exceptional Villas site, each property must be Exceptional and must pass a rigorous set of criteria. The company bases its philosophy on caring. This caring starts with selecting the best properties in the most beautiful destinations.

Unlike its competitors, the Exceptional Villa's Experts who liaise with their discerning clients also conduct the inspections. The Exceptional Villas team understand the need to look out for the pros and cons of each villa and give an honest and unbiased analysis of each.
