[Copperjoint - Arch Support Compression Socks](#)

Unlike other foot sleeve compression support, this foot compression sleeve provides superior comfort and maximum support. With 20-30 mmHg of compression, these high-performance compression foot socks give you the stability you need. Copper's unique properties help eliminate foul smell allowing you to wear your sleeve longer without the worry of offending those around you at the gym or work.

[Seven Minerals - Deep Relaxation bath flakes](#)

Seven Minerals Deep Relaxation Bath Flakes are made with the purest magnesium available. Why magnesium? We use it for over 300 chemical reactions in the body, and when we are low, it affects our nervous system - producing tension, anxiety, and difficulty relaxing. Combined with USDA Organic Essential Oils, you'll feel a wave of calm within just 20-30 minutes.
