

# Brandy Market Expectations for Growth at 7.81% CAGR by the end of 2027 | United Spirits Limited, Pernod Ricard, Hennessy

---

SEATTLE, WA, US, December 14, 2021 /EINPresswire.com/ -- Brandy is made by distilling fermented grape juice and is typically aged in oakwood casks for at least three years. The colour of brandy matured in black oakwood casks is amber. Brandy is typically consumed as a digestif after dinner and contains between 35% and 60% alcohol by volume. Coherent Market Insights has added a new market research report to the database, providing an in-depth examination of the Brandy. The study's goal is to provide data on global market growth projections based on current and historical industry growth estimates, as well as the most recent Brandy place scenario. The true data in the report is based on both broad research definitions and more specific research definitions. The data-driven insights are an excellent way to delve deeper into different aspects of the Brandy. This enables users to further improve their strategies.

Major Key Players Covered In This Report: United Spirits Limited, Pernod Ricard, Campari Group, Radico Khaitan, Hennessy, Tilaknagar Industries, Great Lakes Distillery LLC, Weissbrand Distilling Co., Caddell & Williams, Stark Spirits Distillery, and others...

During the forecast period, the global [brandy market](#) will grow due to rising demand for alcoholic beverages among adults and young people around the world. According to the National Institute on Alcohol Abuse and Alcoholism (NIAAA), total alcohol consumption per person/year in the United States in 2017 was 8.82 liters. Furthermore, rising disposable income combined with increased alcohol consumption is driving growth in the global brandy market. According to Trading Economics Statistics on Disposable Personal Income in the United States, disposable personal income in the United States averaged US\$ 5,200.2 billion in 1959, rising to US\$ 15,742.81 billion in November 2018.

## Market Predictions:

The specialty stores segment is expected to account for the largest market share in the global brandy market during the forecast period. To strengthen their market presence, key players in the distilled spirits market are focusing on new product launches. Furthermore, as consumer preferences shift toward higher-priced spirits, key players are focusing on developing premium product lines. For example, Copper & Kings American Brandy Co., based in Louisville, announced

the release of two new pure copper pot-distilled American luxury gins in February 2019.
