The distinguished PR%F Awards 2021 competition is powered by Food and Beverage Magazine and Delta Sky Club® – The spirits/wine/beverage competition is designed to bring brands right in front of buyers. ALL of the awards judges, coming from various areas across the US, are all mainstream buyers, distributors, online retailers, on and

off-premise owners, directors, bar and restaurant buyers, nightclub and hotel/resort, and hospitality beverage decision-makers. These judges have the power and knowledge to bring winning brands out of a warehouse and onto shelves and into the hands of consumers.
