“As we are proudly at the border between the United States and Mexico, many of our clients speak Spanish,” explained attorney Javier Villarreal, a managing partner at the Villarreal law firm. “For this reason, we have quite a few posts on our blog in Spanish and, indeed, have a robust Spanish-language focus to our entire website. Of course,

anyone who has actually been in a car accident needs to reach out for a quick, no obligation consultation with an attorney. The blog is decidedly not legal advice.”

Here are some of the new posts to the blog in Spanish. First, there’s a post on [trucking accidents](https://jvlawfirm.net/hay-muchos-accidentes-de-camiones-en-texas/) in Texas, entitled, “Hay Muchos Accidentes de Camiones en Texas” at <https://jvlawfirm.net/hay-muchos-accidentes-de-camiones-en-texas/>. That post helps Spanish speakers who may have been in a trucking accident understand the basics and the necessity of seeking out a Spanish-speaking attorney who can advise them on the best course of action. Second, there’s a post about consulting an attorney, entitled, “Si Ha Resultado Lesionado En Un Accidente De Tráfico, Debe Consultar A Un Abogado” at <https://jvlawfirm.net/si-ha-resultado-lesionado-en-un-accidente-de-traffic-debe-consultar-a-un-abogado/>. Finally, there’s a post entitled “Las Carreteras De Brownsville Son Cada Vez Más Peligrosas” at <https://jvlawfirm.net/las-carreteras->

[de-brownsville-son-cada-vez-mas-peligrosas/](#) which discusses the dangers on the road in Cameron County and the Rio Grande Valley.

## FINDING A BROWNSVILLE 'ABOGADO DE ACCIDENTE'

Here is background on this release. Many residents in Brownsville and throughout the Rio Grande Valley (RGV) don't think about engaging with an accident lawyer until after a car accident. Many also speak Spanish and thus search for the Spanish-language equivalent, which is 'abogado de accidente.' Fortunately, the website has lots of robust content in Spanish including a page specifically on 'abogado de accidente' at <https://jvlawfirm.net/practice-areas/abogado-de-accidentes-automovilisticos/>. The staff is also fully bilingual, and so any Spanish speaker can call in and have a friendly consultation entirely in Spanish about their potential accident lawsuit. To find the best accident lawyer for their needs, they may turn to the Internet and even read relevant blog posts on the topic. Beyond that, they may consider accident attorneys who offer a no obligation consultation. And, even more important for some people, they may want an attorney and staff who not only speak Spanish but aggressively work hard to represent each and every client. Persons in McAllen Texas can visit the McAllen attorney microsite at <https://jvlawfirmmcallen.com/>.
