

# AiTrillion Opens Office in Bangalore, the Silicon Valley of India

*AiTrillion is the leading eCommerce marketing automation platforms for Shopify & others. After USA & Indore (India), it opens new office in Bangalore, India.*

NEW YORK, USA, December 15, 2021 /EINPresswire.com/ -- AiTrillion.com is one of the fastest Growing (100% Bootstrapped & Profitable) eCommerce marketing automation platforms for Shopify & launching various eCommerce products in-line for all other e-commerce platforms this year.

AiTrillion has started a new office in Bangalore, which is the headquarter in India after opening offices in Philadelphia, USA, and in Indore, India. Being present in India's Silicon Valley, the office is

situated in Bellandur and it is strategically placed with great connectivity from all locations and next to Central Mall – promises a vibrant location. The office has a combined open space of work, lounge and play area catering to young employees from the IT sector and helping them to engage more at the workplace. AiTrillion plans to hire several resources across various functions in order to attract the best of IT talent for its Indian setup. Special facilities include a Mother's room, dog friendly premises, fitness centre, attractive employee and visitors' lounge, wellness centre, an event setup area for employee quick meetups and also a quick refreshing shower room for those who cycle to work. In addition, the premise also houses a fully functional recreational games area and a fully provisioned café, dining and food area for the entire 24 hours of the day. From balconies to rooftops, the al fresco spaces offer landscaped environments for coffee, yoga, lunch or one-on-ones.

AiTrillion is following a dynamic and hybrid work approach during this pandemic. While Indore is fully functional since June 2021, in Bangalore we're following a hybrid approach to take precautions over the sudden rises of Corona Omicron cases.

Many of AiTrillion employees are still working from home in other cities of India to ensure the employee's wellbeing.
