Employees have the opportunity to answer structured questions (yes/no, true/false, 1-10 scale, multiple-choice) spanning 16 different workplace topics (leadership, team, compensation, perks & benefits, work-life balance, career growth, environment, outlook, etc). Each answer is given a numerical score and compared to companies of similar size. The final data set was compiled from over 15 million ratings across 70,000 companies.
