Here is the background on this release. After holiday celebrations subside, Bay Area residents plan to tackle goals for the New Year as early as January 2022. Residents in Bay Area cities such as Burlingame and San Mateo may start by booking annual clinic visits. Dental exams, health check-ups, and even skin care evaluations can be first on the 2022 calendar. Blotchy, wrinkled skin enhanced by winter weather may benefit from a skin-replenishing touch-up for 2022. Injectables are designed to deliver volume to the skin and reduce fine lines lasting up to eighteen months. Everyone's skin is different, so the best option is to reach out for a one-on-one consultation on skin care. With a location in Foster City, the skin care clinic is convenient not just to Foster City but also to San Mateo and to Burlingame.
