

Oral and Maxillofacial Surgery San Francisco Announces Post on Wisdom Teeth Removal as 2022 Comes into Sight

Oral and Maxillofacial Surgery San Francisco is proud to announce a new post as 2022 comes into sight.

SAN FRANCISCO, CALIFORNIA, UNITED STATES, December 28, 2021 /EINPresswire.com/ -- Oral and Maxillofacial Surgery San Francisco, a team of best-in-class orthognathic surgeons at <https://www.oral surgery-sf.com/>, is proud to announce a new post as 2022 comes into sight. [Wisdom teeth](#) removal might be on the list of New Year's goals for residents of San Francisco. One of the top orthognathic surgeons in San Francisco can support plans to extract wisdom teeth for the coming year.

"Last year, many residents including parents of teenagers were reluctant to come in for a wisdom teeth evaluation," explained Dr. Alex Rabinovich, head of Oral and Maxillofacial Surgery Center in San Francisco. "We are now booking appointments to schedule wisdom tooth removal for 2022."

best oral surgeon San Francisco

SF residents can review the new post by Oral and Maxillofacial Surgery for wisdom tooth removal at [https://www.oral surgery-sf.com/2021/11/you-may-not-have-been-able-to-have-wisdom-teeth-](https://www.oral surgery-sf.com/2021/11/you-may-not-have-been-able-to-have-wisdom-teeth-removed-since-covid-19/)

[removed-since-covid-19/](#). The post explains that putting off wisdom teeth removal could cause long-term damage to one's mouth. Erupted third molars can crowd out other teeth for children, causing future [dental](#) problems. In particular, parents of children with impacted wisdom teeth can find one of the top orthognathic surgeons in San Francisco to help. Dr. Rabinovich and his professional staff can schedule wisdom tooth removal for children and teenagers in 2022.

Interested persons can review even more details about wisdom tooth removal at <https://www.oral surgery-sf.com/wisdom-teeth/>. The clinic supports both children and adults for oral and orthognathic issues. Adults can check the dental implants-focused sister site at <https://www.sfdentalimplants.com/>. Dr. Rabinovich can manage necessary surgery to correct jaw and facial trauma or cosmetic surgery. Those with cosmetic issues are urged to visit <https://visage-sf.com/>.

ORTHOGNATHIC SURGEONS IN SAN FRANCISCO REBOOT WISDOM TOOTH REMOVAL

Here is the background on this release. Covid-19 concerns may be why residents including parents canceled wisdom tooth removal during 2021. The surgery might be considered 'elective,' yet if wisdom teeth are left in the mouth, a child could experience discomfort and health problems. Impacted molars can push other teeth around, creating crooked teeth. Sore gums may develop into infections. In summary, residents in San Francisco whether parents or not are urged to schedule their wisdom teeth appointments now for 2022.
