#### About Allie Starr

Alexandria Morgan, publicly known as International Recording Artist Allie Starr, began singing in the church choir at the tender age of 4, instead of going into the family business of doing Mortuary science. Starr decided to follow her love and passion for music. At just 15 years old the East Chicago, IN native, relocated to Las Vegas, where she began to pursue her journey as a professional singer and performer. While singing in church, people would always tell her "You're a star!" This inspired Allie to associate herself with who she was truly born to be, a Starr! Though based in Las Vegas, she has become an international viral sensation touring all over the world, opening up and singing backgrounds with various artists including Brandy, Johnny Gill, Chaka Khan, and more. She was also selected as a featured singer for the legendary Barbara Streisand's backing group at the MGM Grand in Las Vegas.- Visit <http://www.allistarr.org> to read more about Allie Starr.
