(LEAF) a recently launched cryptocurrency on the Binance Smart Chain network announces a 980-fold increase in market capitalization sending the all-time high for the token soaring. Launched thirteen days ago, this major milestone pivots Canada Coin into the limelight for hopeful retail investors. Canada Coin's mission is to be the catalyst into further decentralized exploration and inspire mass-adoption of decentralized finance.

Canada Coin (LEAF) trends an all-time high market capitalization of \$489,800.00

This news comes in the wake of many recent initiatives and accomplishments of Canada Coin (LEAF), including:

- \$500.00 to \$489'000.00 market capitalization raised in eleven days.
- Seen recently on [Yahoo! Finance](#).
- Listing on PancakeSwap.finance with active marketing and community engagement.
- Brand-new listing on [Luffy Swap](#), a Defi exchange for pooling/farming/trading.
