The top trending idea is to go the traditional way and head for skating. There are few things as romantic as skating on Christmas Eve with the right partner by one's side. Along with this, kissing under the mistletoe definitely sits at the very top of the list.

For those who are not very keen on heading out and will like to snuggle in bed, they could simply choose to Netflix and chill as there are tons of Christmas movies that would surely give the feels that one needs.

Another great idea would be to host a gingerbread house decoration competition and get hands-on with the prospective partner to see how working together on something feels. It also gives the intimate feeling that makes holidays all the more special.

Putting up Christmas trees, the lights, decor and not to forget having the cutest photo shoot are all some of the winning ideas that can make every date perfect and memoizable in a lot of ways.

In the end, one can simply choose to go to a fancy restaurant, sit under the sky, gaze at the beautiful lights, put hand in hand and enjoy the lavish dinner.
