

# FitAssist Program Supports BostonSight's Mission to Increase Access to Scleral Lenses

*Program Empowers BostonSight SCLERAL Network Practitioners to Help Patients in Financial Need*

NEEDHAM, MA, UNITED STATES,  
December 21, 2021 /

EINPresswire.com/ -- BostonSight®, a nonprofit healthcare organization that advances the treatment of diseased or damaged corneas and dry eye, announced that their FitAssist® Program for the [BostonSight SCLERAL Network](#) is helping to bring scleral lenses to more patients in need.

BostonSight SCLERAL Network practitioners in the United States and Canada are automatically enrolled in the program when they join the network. For every 12 patients they fit with BostonSight SCLERAL lenses, the practice receives a voucher for a free fitting for one patient in financial need.

"By providing BostonSight SCLERAL Network practitioners with the means to support their patients in financial need, we are ensuring that everyone who needs a scleral lens can get one." "

*Sara Yost, President and CEO*

**FitAssist®**

**Help patients in financial need  
with a free lens fit.**

"By providing BostonSight SCLERAL Network practitioners with the means to support their patients in financial need, we are supporting our mission to advance the treatment of ocular surface disease and ensure that everyone who needs a [scleral lens](#) can get one," said Sara Yost, BostonSight President and CEO.
