GERMANY, December 16, 2021

/EINPresswire.com/ -- If children are free from economic pressure, they can develop freely and optimally at any age. They develop visions for their own lives and discover goals to work toward. Adults can hinder or encourage such intellectual growth. Poverty and scarcity stand in the way of a life-affirming path. This is where Helpkidz Coin comes in.

Building a growing community through decentralized economies. Fundamental projects and developer solutions for children are financially supported and advanced. A two percent share is transferred to a charity wallet when a coin is purchased. Once enough is accumulated, the euro amounts are transferred directly to a project or converted into in-kind contributions. The HelpKidz Coin provides much-needed financial assistance, food, clothing, Furnishings or washing machines. The two percent aid benefits children throughout Europe. It is a safe investment in the future of
