MULLICA HILL, NEW JERSEY, UNITED STATES, December 17, 2021 /EINPresswire.com/ -- On Thursday December 16, 2021 [Nancy Kowalik](#), Founder/Owner of Your Home Sold Guaranteed Realty - Nancy Kowalik Group, presented a \$35,000 check to [Acenda Integrated Health](#) representatives, Mari Considine, Chief Development & Marketing Officer and Ashley Tonkinson, Senior Director of Development & Marketing. This year marks a four year total of over \$115,000 Nancy Kowalik's Group has donated to the organization.

Over 20 years ago, when Kowalik owned a local Christmas Shoppe in Mullica Hill, she quietly began giving to the company's original organization, Robins' Nest Inc. She felt that it was a community organization that she believed in, as it focused on giving those in need a "hand up." Having had a difficult time during her youth, Kowalik recognizes and empathizes with those who face similar challenges. Now, as Acenda Integrated Health, the organization has a much broader coverage area in Southern New Jersey. Kowalik believes Acenda is following the same principles with community assistance as Robins' Nest and has committed to supporting Acenda each year.

"I started this tradition close to 20 years ago in terms of giving back to the community, but I didn't really memorialize it the same way. When I started Nancy Kowalik Real Estate Group a number of years ago I decided that a portion of every single transaction that we do needed to go back to the community and I looked around at different charities that work with the community and it was really important to me that the money went to the people in need. Acenda gives their clients a Hand-up." Kowalik said.

During the presentation, Acenda's Chief Development & Marketing Officer, Mari Considine told Kowalik, "Your continued yearly donations have allowed us to give a broader range of services to families who need multiple health and wellness integrations all together within the Acenda Integrated Health. We truly appreciate what you do for us."
