Tebbs Brothers Insurance Group, Inc: Provides HOMEOWNERS Insurance to Salt Lake City, UT and all surrounding communities and States. If one owns a house, the home is not just the space where one can relax and rest. It's also one of the most valuable assets they are likely to own. For most people, a house is the biggest investment they will ever make. Secure the investment and peace of mind alike with a homeowners' insurance policy built around the clients needs. TBIG is dedicated to taking care of the place -- and people -- one holds closest. They offer a variety of home insurance options to make sure all the bases are covered against destructive weather, theft, accidents and more.

- The Importance of Personal Liability Insurance

Imagine something major going wrong in or around the home such as a guest getting hurt or someone's valuable personal property being seriously damaged. Personal liability insurance makes sure that one is covered in the event legal action is taken against in such situations. With this coverage, the financial assets are kept safe from the results of any litigation -- for better or worse.

- Why You Need Property Insurance

In the event the home experiences devastating weather -- say, a fire, a hailstorm or dangerously heavy snow build-up -- property insurance can keep one protected. In times of crisis, property insurance provides one the security when the residence is damaged.

- Take the Next Steps Forward

One cannot afford to risk unpredictable forces and let this critical investment go unguarded.

They offer several forms of coverage to suit all kinds of situations. They will build a policy shaped around the clients specifications.
