Quixy wins Emerging Product of the year Award at HYSEA Innovation Summit 2021

HYDERABAD, TELANGANA, INDIA, December 18, 2021 / EINPresswire.com/ -- Quixy, a no-code Enterprise Application Development, and Business Process Automation platform, announced that it has won the "Emerging Product⬜" of the year award at the 29th edition of the [HYSEA](#) Innovation Summit and Awards 2021 held on 16th December 2021 at HICC Hyderabad.

HYSEA Innovation Summit is the most prestigious industry event in Telangana that showcases the state's vibrant culture of innovation, booming startup industry, and ecosystem. HYSEA highlights and recognizes exciting products and startups in various categories through the product awards. The winners were chosen after three rounds of evaluation, including the first round of the assessment by KPMG, followed by two jury rounds comprising an expert panel of industry experts.

The award was handed over by J A Chowdary, Chairman, Indian Blockchain Standards Committee, N. G Subramaniam, COO, Tata Consultancy Services, and Bharani Kumar Aroll, President, Hyderabad Software Enterprises Association.

In addition to the Emerging Product of the year award, Quixy also won the Hot 10 Startups Award.

"We are honored to have received these awards, which is a testament to the work our team has done in building a world-class product, and the value it has brought to our customers in over 15 industry verticals across the world", said Gautam Nimmagadda, Founder & CEO, Quixy. "We are proud of our contribution in democratizing software development that is helping our customers address their growing software needs and be agile in responding to changing business conditions."

Earlier this year, Quixy has also been named in [Gartner's Voice of Customer Report](#) for

Enterprise Low-Code Application Platforms (LCAP) and [Forrester's Now Tech Report](#) for General-Purpose Low-Code Development Platforms.
