

Gay dating app users are donating to help homeless teens

LONDON, UNITED KINGDOM,
December 20, 2021 /
EINPresswire.com/ -- This winter,
Gaydar [<https://www.gaydar.net/>] - an
online [dating](#) app - is helping its users
support young [LGBTQ](#) people who are
at risk of homelessness.

Partnering with AKT
[\[https://www.akt.org.uk/\]](https://www.akt.org.uk/) - a UK-based
[charity](#) that supports young queer
people who are facing or experiencing
homelessness or living in a hostile
environment - Gaydar has launched
Gaydar Giving
[\[https://giving.gaydar.net/\]](https://giving.gaydar.net/).

To encourage its users to get involved
in the winter campaign to support
young LGBTQ people, anyone that
makes a £1 donation will receive free
VIP membership of Gaydar for one
month.

"The last few years have been tough on
everyone, but young LGBTQ people are
particularly vulnerable during difficult
times..." explains John Edwards, the Managing Director of Gaydar. "The holiday season is the
perfect time to think of others and help those who need it most. We're proud to partner with AKT
to encourage our members to support young LGBTQ people."

Having safe and secure accommodation is particularly important during the cold months of
winter, but 33% of young people that contact AKT have an immediate need for accommodation -
without support from AKT, they will be homeless and out on the street. Many more young

people are contacting AKT because they are experiencing abuse, violence or hostility.

"However you're spending Christmas and the holiday season, take a moment to think of those less fortunate than you..." says John Edwards. "A small act of kindness will not only make you feel good but it could be the lifeline that a young LGBTQ person needs."
