5th World Wellness Weekend announces recipients of the 2021 World Wellness aWWWards

BRUSSELS, BELGIQUE, December 20, 2021 /EINPresswire.com/ -- In these extremely challenging times, World Wellness Weekend (WWW) wishes to honor the professionals and corporations that have gone above and beyond in 2021 to grow awareness about the UNITED NATIONS' 3rd Sustainable Development Goal "Good Health and Wellbeing for All" striving to promote Wellness For All.

Since 2017, non-profit World Wellness Weekend inspires and empowers millions of avid wellness enthusiasts and "weekenders" around the world to be more active more often with family, friends, colleagues and "wellness buddies" following 5 Pillars of Wellness: Sleep & Creativity, Nutrition & Immunity, Movement & Vitality, Mindfulness & Serenity, Sense of Purpose and Solidarity.

In 2021, WWW was celebrated in 133 countries by 2,300 venues thanks to the support of 100+ Ambassadors and Coordinators, volunteering their time and passion with local businesses, associations, under privileged communities and local officials. Thousands of in-person activities and workshops were organized in accordance with local health regulations, and 52 hours of wellness videos were produced to encourage those at home to could also be active.

The World Wellness aWWWards honor people and businesses that truly make a difference, standing as beacons of hope, making enthusiasm "safely" contagious for all stakeholders. We are

This aWWWard honors professionals and corporations that have gone above and beyond in 2021 to grow awareness about the UNITED NATIONS' 3rd Sustainable Development Goal "Good Health and Wellbeing for All" striving to promote Wellness For All.

humbled by their relentless efforts to make wellness accessible to All, as they inspire people to become influencers among their friends, family, colleagues, and “wellness buddies” as agents of positive transformation.

*** More about World Wellness Weekend ***

Since 2017, World Wellness Weekend promotes healthy lifestyles through safe, fun and free activities in alignment with the United Nations' third Sustainable Development Goal "Good health and well-being for all".

Available in 16 languages, wellmap.org enables the public to locate on any device 2,310 participating venues listed in 133 countries. This "World Wellness Map" helps wellness enthusiasts and "weekenders" find wellness professionals around the globe and around the corner for original activities, staycations, getaways, retreats and wellness weekends.

All they have to do is press on "Locate Me", or type the name of a city they want to visit, or click on "Where Next" to access filters sorting out categories of venues and types of activities in each city or country. Intuitive features make it easy to contact them directly to learn more about upcoming activities, indulge on special offers and exciting packages to enjoy with friends, family and wellness buddies.

World Wellness Weekend connects professionals in wellness, fitness, beauty, hospitality, holistic health and tourism in order to create synergies in cities for locals and tourists to enjoy Wellness activities with as many weekends of wellness as possible.

World Wellness Weekend is supported by 60+ international professional federations, six Ministers of Health, Sports and Tourism, and 30 Mayors, Visitors bureaus and Chambers of Commerce in Argentina, Brasil, Cyprus, France, Ireland, Italy, Quebec ; and the European Week of Sports BeActive.

"Wellness is not just a decision you take to improve your mental & physical health: it is also an act of influence to inspire those around you to become the best version of themselves", says Jean-Guy de Gabriac, founder World Wellness Weekend and international wellness advisor since 2001.
