FRPO (Federation of Rental-housing Providers of Ontario) MAC Awards is the largest event of its kind in Canada, recognizing excellence in rental housing and honouring the leaders of the industry. KG Group's 18 Erskine was selected from numerous entries, an acknowledgement of the community's winning combination of luxury 5-star amenities and resident services in a superior location.

“

We've been building and managing properties in the Toronto region for over 40 years and in every one of our over 2,000 rental apartment suites, we aim to offer our residents a truly curated lifestyle.”

“We are extremely proud and honoured to receive these awards,” says Dianna Attar, VP of Leasing and Marketing at KG Group, the private Toronto real estate company behind the award-winning property. “We've been building and managing properties in the Toronto region for over 40

years and in every one of our over 2,000 rental apartment suites, we aim to offer our residents a truly curated lifestyle. At 18 Erskine we've worked hard to provide the best possible overall

experience in rental living and we thank FRPO for recognizing the outstanding result.”

18 Erskine offers a unique formula for living your dream lifestyle - a bustling urban neighbourhood, designer elements infused into every suite, and abundant amenities that cater to your wellness, social and pet desires. 315 suites deliver unprecedented and unobstructed views of downtown, Lake Ontario and North Toronto, in the coveted Yonge and Eglinton area, just steps from restaurants, shopping, parks and the Eglinton transit hub.

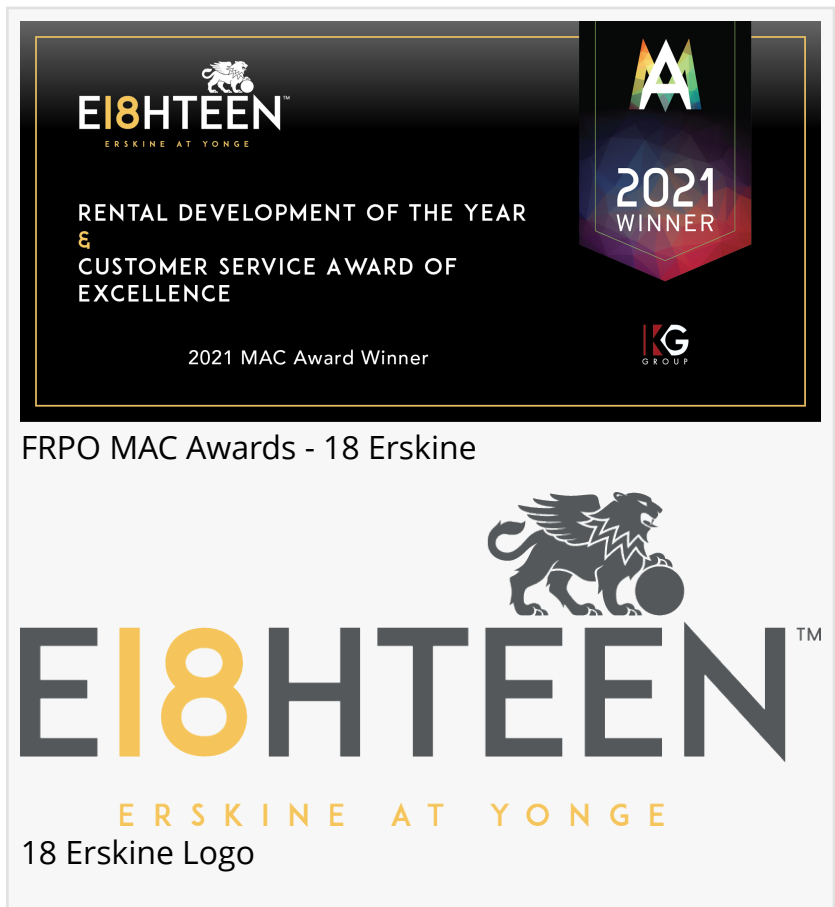

Enter inside and residents have access to an exquisite lineup of over thirty 5-star amenities including a chef’s kitchen, private dining room, bistro

with outdoor BBQ terrace, fireplace lounge, zen garden and a dynamic cowork studio. The expansive and jaw-dropping fitness amenities at 18 Erskine rival that of a top-notch gym. There’s an indoor pool, a boxing simulator, a yoga/TRX studio, a motion cage, a full cardio wall, and free fitness classes, both in-person and virtual on demand so your workout is ready whenever you are. There is also a designated client concierge that organizes a lively calendar of events for residents to socialize with neighbours (and their four-legged friends) at community events like cooking classes, virtual bingo, dog yoga or just grabbing a complimentary dog biscuit at the 24-hour concierge.

Life gets even “suite”-er inside the residences. Thoughtfully-designed interiors welcome you home with refined details like brand-name appliances, custom designed kitchen islands, quartz countertops and backsplash, spacious bedrooms, spa-inspired bathrooms, floor-to-ceiling curtain wall windows, and expansive balconies and terraces. Exceptional additions like full-size appliances, pantries with extra storage, USB ports, built-in shelving and roller blinds, creating truly functional layouts that allow for intuitive everyday living. The cherry on this exceptional design? Access to 24/7 white glove, hotel-inspired service via the custom created KG app and an on-site team that, from maintenance to management, adds a personal touch to not only 18 Erskine, but all of KG Group’s rental communities.

The response to 18 Erskine has been incredible.

“I am so excited to move in to my new apartment in this building! Responsive staff creates a

really home-ish atmosphere! I also love all the amenities of the building! Especially the gym which can compete with the biggest gyms in Toronto!" Olga Pavlova | Google Reviews

"What I love most is that KG Group strives to ensure a healthy & positive living environment. This is reflected in the amenities which promote health & wellness. I highly recommend moving to a property run by KG group!" Candy Keillor | Google Reviews

The awards for Rental Development of the Year and Customer Service Award of Excellence just cement what we've always known – delivering VIP resident services and luxury design in a location near convenient transit and fabulous neighbourhood amenities is a winning formula for your dream lifestyle.
