

CONTAINER MASTERS SEASON ONE NOW STREAMING

Container Masters is a 13-episode reality tv series about re-purposed shipping containers - turned into beautiful homes and unique building projects.

NORWALK, CT, USA, December 22, 2021 /EINPresswire.com/ -- Container Masters season one series has been released on Tubi available to stream for free. Season one Container Masters series has 13 action packed episodes taking the viewer on a journey of re-purposed shipping containers. From

beautiful houses to other amazing and unique projects you'll have a front row seat as Container Master, Jim Russell, takes you through the build process to the final reveal. There are over one hundred and forty million shipping containers in the world. The vast majority of these remain idle and unused. Jim Russell, working with a network of specialty builders is on a mission to change this – one container at a time. Together they re-purpose, upcycle and give these incredibly strong building blocks a second life. Follow along to see how shipping containers can be created into beautiful homes and other structures like hot tubs, pools houses and even a shed for a community Giving Grove, and transported to some of the most breath taking properties in the entire country with
