Your Home Sold Guaranteed Realty not only helps families buy and sell homes, but the company also provides a way for all agents to [give back to their communities](#) through donations from every home sold. The heart of the company is the 2nd Mile and this is what makes Your Home Sold Guaranteed Realty outshine and outperform other brokerages. Clients benefit from working with the agents and agents benefit from a proprietary system that enables a seamless way to connect buyers with sellers.

The foundation of Your Home Sold Guaranteed Realty's core values is Service, most notably the 2nd Mile Service. The agents at Your Home Sold Guaranteed Realty always put the client's needs first and they do this by adhering to the Five Core Values, of which the 2nd Mile Service is the

first one. The agents embody the spirit of empowering and inspiring others to achieve more, they are driven, they value relationships, and they embrace continual growth. "Showing homes and writing offers is what clients expect. Behind the scenes, our agents work diligently for their clients to get the home they love," says Rudy Lira Kusuma, CEO of Your Home Sold Guaranteed Realty.

Notably, the all-inclusive culture of the company is unlike any other brokerage. The real estate industry is not for the timid and most agents can't withstand the cyclical nature of the industry. Not knowing when another client will come along and the endless spending of hard-earned income for marketing and prospecting oftentimes is too high a price to pay for most agents.
