The International Travel Awards are curated by Golden Tree Events. As a tourism marketing and PR company, Golden Tree Events is committed to highlighting excellence within the sector. The International Travel Awards attract global nominations, highlighting companies or individuals that stand out for their high-caliber services. Participants include theme parks, travel companies, villas, attractions, apartments, hotels, and individuals.

Gaining one of the International Travel Awards is a challenge! In 2021, more than 4,500 nominees were entered from more than fifty different countries. These were whittled down to a shortlist of 280, with 150 final winners. The competition is tough, with only the very best nominations gaining one of the coveted places in the final.

There is a separate class for each geographical area (Middle East, Africa, Europe, Asia, America, and Oceania). Classes include Best Tourist Attraction, Best Theme Park, Best Beach Resort, Best Family Hotel, Best 5-star Hotel, Best Travel Management Company, and Best Holiday Homes Rental Company.

In the first instance, the jury team reviews nominations and awards a winning percentage for each nomination. Candidates then have thirty days to collect votes from clients, partners, and others within the industry. The jury and management team inspect the resort or attraction, then send in a report to the jury team. The jury team then reviews all the available information and decides on the overall winner in each category. Finally, details of the winners are made public.

In addition to the International Travel Awards 2021, [Golden Tree Events Dubai UAE](#) also
