Private Detective Agency™ Switzerland team of investigators have over 80 years of industry experience and come from military, legal as well as law enforcement backgrounds.

You know my method. It is founded upon the observation of trifles."

Arthur Conan Doyle (Sherlock Holmes Short Story)

What are financial investigations?

Financial investigations are critical to proving crimes such as corruption, fraud and trafficking in humans or illicit goods. They are also central to confiscating illegally obtained assets from criminals – so that crime doesn't pay.

Private Detective Agency™ Switzerland

Financial investigation bears a proactive and preventive added value. It is an important tool to detect all serious crimes. It can be used against all criminal markets. Private Detective Agency™ Switzerland frequently work with financial institutions, regulators and law enforcement authorities in frontier and emerging markets, providing independent expertise in conducting fraud and money laundering investigations and helping to implement best practices to detect

fraud and financial crime before it occurs.

The field of work of the Private Detective Agency™ Switzerland is Switzerland, Liechtenstein and World (Global).

The experts of the Private Detective Agency™ Switzerland are working on every kind of financial investigations, Due Diligence, Online Fraud Investigations, Fraud Investigations, Investment Fraud Investigations, Broker Fraud Investigations, Bribery Cases, Corruption Cases, Money Laundering Cases and Corporate Fraud Cases.

Private Detective Agency™ Switzerland Know-How, Experience and Liability: 220 years of know-how and 80 years of combined investigative & intelligence management experience.
