Our patented technologies will significantly advance the medical application of psychedelic compounds by bringing the highest levels of safety and efficacy to this new class of medications."

*Dr Anish Tuteja*

Watch it on Youtube or listen to it on Buzzprout, Spotify & others.

Hear from Chief Visionary Officer Zappy Zapolin on why this is such a pivotal moment for psychedelic science, and from Chief Science Officer Dr. Anish Tuteja, how [Psycheceutical](#) is approaching solutions to safe and effective psychedelics via two patented and novel

approaches.

- Why are we at a pivotal juncture for getting psychedelic therapies approved and available?
  - Why do psychoactive therapies pose a unique challenge in FDA approvals?
  - What are various means of delivering psychoactive therapies, pros and cons of each.
- Are few questions discussed today during the No Plan-B Podcast LIVE on Instagram.

About Psycheceutical, Inc.

Psycheceutical, Inc. is using cutting-edge delivery technologies to develop safe and effective psychedelic pharmaceutical medicines. Powered by a team with more than 100 years' combined experience in development, regulatory approval processes and commercialization across the pharmaceutical industry, Psycheceutical is on a mission to bring safety and efficacy to psychedelic compounds.

About Zappy Zapolin

Futurist and Chief Visionary Officer, Psycheceutical

Zappy Zapolin is a well-known futurist, psychedelic concierge to the stars, and award-winning filmmaker who is dedicated to the expansion of human consciousness. Playboy Magazine called him "The Man Who Wants to Change the World with Psychedelics."

Director behind the acclaimed documentary, *The Reality of Truth*. Zappy's latest film, *Lamar Odom: Reborn*, follows the psychedelic intervention he facilitated for the basketball superstar using the breakthrough treatments of ketamine and ibogaine.

As the youngest Vice President in the history of one of Wall Street's most successful investment banks, Zappy is a frequent commentator on the emerging psychedelic industry and investment opportunities.

No Plan-B Podcast by Jean Fallacara with Psycheceutical
