

Ulatius Launches New Translation Affiliate Program for sales partners

NEWARK, NEW JERSEY, UNITED STATES OF AMERICA, January 5, 2022

/EINPresswire.com/ -- Ulatius, one of the leading translation service providers worldwide, has launched an exciting new translation affiliate program that will greatly benefit both the company and its new sales partners. Through this program, affiliate members can get paid up to 10% in commission on new sales that are generated with Ulatius.

Ulatius Translation Company

With Ulatius' experience in the translation industry and its global presence in 125 countries, affiliate partners should anticipate having great success with the program. Affiliates will be referring or white-labeling Ulatius' services to their networks and clients, and on successful sales, the Affiliates will earn a commission. Translation projects are high-value assignments and would

provide lucrative earning opportunities for the Affiliates. Along with offering this new revenue stream, Ulatius will provide affiliate partners with marketing assistance, as well as any other support they need.

“

Our affiliate program is a great way to benefit from our ISO-certified translation and management processes. I'm glad that we can now make that available for organizations worldwide.

”

Shilpa Mittal, CEO, Ulatius

The affiliate program would also be beneficial for organizations/agencies that require to undertake translation projects for their clients as well as [language solution providers](#) that need to outsource some of their work. To become an affiliate partner, simply fill out a quick [form](#) to ensure eligibility, a Ulatius representative will then reach out to get the partnership started.

Speaking about the affiliate program, Shilpa Mittal, CEO of Ulatius, said, “Some of the largest language companies outsource their work to Ulatius. Our affiliate program is a great way to help more organizations benefit from our translation quality and technology in an organized and transparent manner. We also feel our certified translation processes and management are a

huge plus for anyone who wishes to make translating more efficient, and I'm glad that we can now make that available for organizations worldwide."
