[Vodka](#), the flagship product of Live Proud Spirits, was named in the 100 best spirits of 2021 by the prestigious Wine Enthusiast and awarded 90 points as one of the select few vodkas recognized in this esteemed list. "This list represents the most memorable

spirits we've had the opportunity to review over the past 12 months," said Wine Enthusiast Spirits Editor Kara Newman. "While spirits were selected for this list based on their quality, it's also satisfying to zoom out and note the broadening diversity of the people behind the bottles."

Live Proud Vodka is handcrafted in the USA, six times distilled from midwestern corn, and charcoal filtered. "We spent years crafting this award-winning vodka" said CEO Beth Hohlier, "and we are honored to have our Vodka rank amongst the top Vodkas in the nation." Live Proud Vodka has an ultra-smooth finish that can be sipped or served in your favorite martini or cocktail. This vodka has a neutral aroma with a very clean and silky smooth spiced dry finish and good salinity. Kara Newman highlighted that Live Proud Vodka's "mild vanilla and almond tones segue into a brisk, citrusy finish, bright with peppery spice and a hint of lemon peel." Live Proud Vodka has previously received notable critical acclaim including a Double Gold award from the San Francisco World Spirits Competition as well as Platinum, Double Gold and Consumer Choice Awards from SIP Awards.
