

# 2021's Top Lakes Announced by Lake Homes Realty

BIRMINGHAM, ALABAMA, USA,  
December 30, 2021 /

EINPresswire.com/ -- In 2020, residents in crowded areas searched for home options with more indoor space for remote working and school, great outdoor options, and relaxing retreats to reconnect with family during an unprecedented pandemic. This trend continued in 2021, with nearly 7 million people searching for lake homes and lots on LakeHomes.com, the website of [Lake Homes Realty](https://www.LakeHomes.com). Statistics pulled from the 97.38 million pageviews on [www.LakeHomes.com](https://www.LakeHomes.com) for lake home and lot searches between January 1 and December 20, 2021 are below.

Among the 34 states covered by Lake Homes Realty, the nation's largest lake [real estate](https://www.LakeHomes.com) brokerage, here are the top lake states and specific lakes for 2021, based on the number of pageviews:

“Buying or selling a lake home or land is not like selling other real estate,” said Glenn Phillips, CEO of Lake Homes Realty. “These properties are discretionary, leading to a very different mindset and buy/sell patterns. This mindset makes understanding the lake real estate market even more important and why Lake Homes Realty spends considerable time analyzing

tremendous amounts of market data,” said Phillips “Our real estate agents across the country supplement that data with information on local lake real estate trends.”

Methodology: The top states and top individual lakes were compiled from the 97,381,121 pageviews on [www.LakeHomes.com](http://www.LakeHomes.com) between January 1 and December 20, 2021. The Lake Homes Realty website had 6,836,231 users during that time period with an average of 5:35 minutes each session. Web searchers looked at 8.3 pages on average per session.

In addition to the top states and lakes listings, Lake Homes Realty also produces a quarterly report with trends nationally and by state. The report shares a summary of this information collected from 131 MLS areas from the 34 states we serve and is, to our knowledge, not available from any other source. Collectively, the lake real estate market within the 34 states covered by Lake Homes Realty is \$31.8 billion for the Winter Quarter.
