1) The COVID-19 impact on the Cosmetic Dentistry Market is unpredictable and is expected to remain in force till the fourth quarter of 2021.

2) The COVID-19 outbreak forced governments across the globe to implement strict lockdowns and banned import-export of nonessential items for most of 2021. This led to sudden fall in the availability of important raw materials.

3) Moreover, nationwide lockdowns forced manufacturing facilities to partially or completely shut their operations.

4) Adverse impacts of the COVID-19 pandemic have resulted in delays in activities and initiatives regarding development of reliable and innovative drone analytics systems globally.
