

# Gen2 Technologies (MNIZ) to Showcase Iris Miniature and Flagstick Cameras at Mount Kilimanjaro Klassic

---

SPARKS, NEVADA, UNITED STATES, January 3, 2022 /EINPresswire.com/ -- Gen2 Technologies Inc. (the "Company") (OTC:MNIZ) ([www.gen2technologies.com](http://www.gen2technologies.com)) is pleased to announce that it has chosen the co-sanctioned European Challenge Tour & Sunshine Tour, Mount Kilimanjaro Klassic to showcase its Iris miniature and Flagstick cameras.

The Iris camera is a body-worn camera that suits the requirements of golf – and can be worn on the hat and body – with the Flagstick cameras also offering a unique first-person perspective.

The innovative company is looking to demonstrate the in-field performance of the Iris and Flagstick technology suite at a tournament that will comprise some of the world's best young talents at the first professional tournament of note to be staged in Tanzania.

The next stage will be to further trial the technology in the U.K. later in 2022 ahead of striking a deal with one or more professional golf tours.

CEO of Gen2 Technologies Mr. Michael Kovacocoy said: "We are honoured and humbled to have this opportunity and to place our equipment on athletes of such a high stature. It is our ambition to have our Iris and Flagstick cameras become an integral part of broadcast and streamed Golf globally within the next 12-24 months.

"I would like to thank Mr. Chubby Chandler and the team at International Sports Management for having played a pivotal role in putting our company on track for its first ever global and large-scale technology, broadcasting and media services roll-out."

The Mount Kilimanjaro Klassic is promoted by International Sports Management (ISM) which is also putting on the DP World Tour's Cyprus Open and the Legends Tour's JBC Championship in 2022.

Mr. Chubby Chandler, CEO, ISM, stated, "We're excited to have Gen2 Technologies involved in the Kilimanjaro Klassic.

"We strive to bring something a little different in the tournaments we put on. This is another string to that aim, and we believe it will offer multiple benefits in terms of coverage and

promotion.”

Innocent RUTAMU, Chairman-Golf & More Ltd event partners of ISM said: “This a great opportunity for golf fans in Tanzania and beyond to experience next generation technology in golf streaming.”
