

IPO Wise: Pre-IPO Allocation Seekers

IPO Wise is a revolutionary platform that informs retail investors of shares allocations in high growth startups before they IPO.

DUBILN, IRELAND, January 2, 2022 /EINPresswire.com/ -- Co. Dublin, Ireland, 22nd Dec 2021, In 2021, global IPO volumes rose 87% and proceeds rose 99% from 2020. While retail investors ponder whether these IPOs are reasonably priced, early venture capital investors have already multiplied their money.

Can retail investors get in on the action?

Traditionally, venture capital investing was reserved for large financial institutions and high net-worth individuals. Reliable information on private companies was hard to come by and buying their shares pre-IPO was nearly impossible.
