From the Artist:

Euphonious is a message from the heart! It is a sign and inspiration of our connectedness and feeling connected because we are. You feel an instant rush of joy and letting go. It’s not intended to be meditation music, and it just might make you feel truly satisfied. It’s a message, a loving greeting from soul to soul. (If you want, meditate on the songs, but just enjoying them is what this EP aims for - unintentionally mediational music.

“Euphonious” is out now on major streaming platforms.
